A NEW FACE IN BELGRAVE

On behalf of the Belgrave Traders Association, President George Harmon wishes to thank Alene Lee who served as coordinator for over three years. Alene left earlier this year and we wish her the very best. Alene worked on various projects during her time with us, involving the community and schools along with the local traders. The clean up of Blacksmiths Way was much appreciated and the murals on the Telstra Building continue to be enjoyed by all. A big thankyou goes to Alene for all her hard work. We welcome Marina Dennis now to take on the tasks ahead. Marina already knows and loves Belgrave – helping each year with the Belgrave Lantern Parade among many things.

If you see Marina out and about – say “Giddyay”!
